

TAZ NEEDS A HOME!!!!

UKC Ch/Int'l Ch Goldfields Raz-Ma-Taz Surefire “Taz”

OFA Prelims Hips Good

TAZ is a very energetic, happy, social 8 year old neutered male. He comes from a long line of exceptional **white German shepherds** and **has won several awards**. Taz is quick to learn, excellent with children and totally stable. He is a high energy dog and is agile and athletic. Taz ‘s son is a certified narcotics and Search and Rescue dog in Oregon.

Taz is a very well trained, affectionate dog and deserves a good home.

His original owner divorced, moved in with her parents with many shepherds and 3 children. She reluctantly downsized and located homes for some of her older shepherds.

She thought she had found Taz a good home with a recent military veteran, but he had health issues and abandoned him.
